TELECOMMUNICATIONS SERVICE WITHIN THE STATE OF DELA-  
WARE, AND ALL OTHER INTERESTED PERSONS**

Pursuant to 26 Del. C. §203A and 26 Del. Admin. C. §4001-4.0, Local Access LLC ("Applicant"), a Florida corporation with authority to transact business in the State of Delaware, has applied to the Delaware Public Service Commission ("Commission") for a Certificate of Public Convenience and Necessity ("CPCN") to provide basic local exchange and intrastate interexchange telecommunications services to the public within the State of Delaware under rates, terms, and conditions which the Applicant will have on file with the Commission.

The Commission has been authorized by the General Assembly to foster and promote the competitive provision of intrastate telecommunications services, where appropriate, within the State of Delaware. See 26 Del. C. §703. Pursuant to such authority and the Rules and Regulations of the Commission, the Commission proposes to grant the requested CPCN on a conditional basis to the Applicant. The Commission Staff is reviewing the application and will determine if the Applicant has satisfied the criteria for Local Exchange Services under Delaware law. Also included with the application was a toll dialing parity plan setting forth how the Applicant will provide toll services within LATA 228, which is the LATA encompassing Delaware.

Any person who wishes to protest or to comment upon this application must do so in a written document filed with the Commission on or before June 13, 2013. In the absence of any good faith protest, the Commission will grant the Applicant a conditional Certificate of Public Convenience and Necessity.

The Commission's mailing address for the filing of any protests or comments is:

Delaware Public Service Commission  
861 Silver Lake Boulevard  
Cannon Building, Suite 100  
Dover, Delaware 19904  
Attention: PSC Docket No. 13-134

Copies of the application are available for public inspection in the Commission's Dover office at the address given above during the regular business hours of the Commission.

The Applicant has filed with the Commission an illustrative tariff that sets out the terms and conditions under which it will offer its telecommunications services in Delaware. Because this is a competitive provision of such telecommunications services, the Commission will not make a determination that the tariff provisions or the proposed rates are just and reasonable.

The Applicant is not regulated by the Commission as a monopoly service provider. The Commission is relying on the competitive marketplace to determine acceptable terms and rates for the various competitive telecommunications services offered by this company and, therefore, ALL PROSPECTIVE CUSTOMERS ARE ADVISED TO VERY CAREFULLY REVIEW THE TERMS, CONDITIONS OF SERVICE, AND RATES BEFORE SUBSCRIBING.

You are invited to review the Applicant's filed application and supporting documents to determine how your interest may be affected. You may review documents posted on the Commission's website at:
